TO A BROWN BAG LUNCH EVENT!***

The Fulbright Scholar's Program is the flagship international educational exchange program sponsored by the U.S. government and is designed to "increase mutual understanding between the people of the United States and the people of other countries."

With this goal as a starting point, the Fulbright Program has provided almost 300,000 participants—chosen for their academic merit and leadership potential — with the opportunity to study, teach and conduct research, exchange ideas and contribute to finding solutions to shared international concerns.

On Friday, November 19, Athena Fulay, Manager of Outreach and Communications for the Fulbright Scholars program (the Council for International Exchange of Scholars) will meet with USC faculty to discuss the application process and opportunities available for participation in the Fulbright Scholar's Program. **PLEASE JOIN US!!**
