

Faculty,

USC is launching a project to replace our current research administration systems with Quali Coeus. We invite you to attend one of the kickoff events for this project:

University Park Campus
Town and Gown
Wednesday, September 7
8:30 am continental breakfast
9:00-10:30 am program

Health Sciences Campus
Norris Research Tower (NRT) LG 503/504
Friday, September 9
8:30 am continental breakfast
9:00-10:30 am program

We will share with you the system goals, provide an overview to the functionality in Quali Coeus, introduce the project team and invite your thoughts about the implementation of the new system. Speakers include Randy Hall, Vice President of Research and Ilee Rhimes, Chief Information Officer and Vice Provost.

Please RSVP by email to vpres@usc.edu, indicating which day you plan to attend. Key to the success of this implementation is the engagement of knowledgeable research administrators and faculty such as yourself. We hope you will join us next week.
