

Welcome to USC!

The Provost, the Academic Senate and the Academic Leadership and Development Committee are delighted to have you as part of our community and a member of the Trojan Family. To help make your transition to USC and Los Angeles a smooth one, we are pleased to invite you to the **New Faculty Welcome**.

This program will provide you with useful information including:

- Developing a successful career
- Understanding the promotion and review process
- USC services
- Networking opportunities
- Faculty governance
- USC's Strategic Plan

The orientation will be offered at the **University Park Campus (UPC) August 22, 2008** at the **University Club—Banquet Room** from 9:30 A.M. to 2:00 P.M. (*including lunch*).

If you are unable to attend the UPC program, there will be an additional program offered at the Health Science Campus (HSC) on September 16, 2008 at the Edmonson Faculty Center. The program will be identical. You do not need to attend both sessions.

To help us plan, please RSVP to Alexandra Fabry-Mourer at (213) 821-6319 or afabrymourer@caps.usc.edu by August 15th, 2008. Let us know if you will be able to attend and which date works best for you.

Best Regards,
The Academic Leadership and Development Committee
