Risk Management

To All USC Faculty and Staff,

Many of you have already taken advantage of the savings that may be available under the Auto and Home Insurance Program from Travelers. For those of you who have not yet looked into the plan, we want to remind you of the many benefits that Travelers offers to USC faculty and staff.

The program is administered by the insurance agency of Supple-Merrill & Driscoll, Inc. in Pasadena. Supple-Merrill & Driscoll is one of the most respected insurance agencies in Southern California, and they are committed to providing the highest level of customer service to USC employees.

Here are some of the benefits available with this program:

- Low, competitive group rates for USC faculty and staff
- Many additional discounts that may save you even more
- Convenient payment options, including payroll deduction - with no down payments or service charges
- 24-hour claim reporting Hotline, so Travelers is there when you need them most
- Free, no-obligation rate quotes

To request a rate quote on your auto or home insurance, call Supple-Merrill & Driscoll at 1-800-890-4840, or locally at 626-795-9921 (8:30 a.m. to 5:00 p.m. PST, Monday through Friday). Or, request a quote online at <http://capsnet.usc.edu/risk/index.cfm>. We believe that you may benefit by comparing your current auto and home insurance to Travelers.

We are pleased to make this opportunity available to you and encourage you to take advantage of it.

Sincerely,

Doug Moore, ARM  
Executive Director, Risk Management

The University of Southern California has selected Travelers to underwrite this program. Insurance is offered through Supple-Merrill & Driscoll, Inc. and is underwritten by the Travelers Indemnity Company or one of its property casualty affiliates. Coverages, discounts and billing options are subject to state availability, individual qualifications and/or the insuring company's underwriting guidelines.
