Instructions for Completing the Request for Student Program

1. All classes must be listed. For session number refer to your *Schedule of Classes* for the specific session number for your program of study.

2. Class numbers are five digits in length. You will be registered for those classes that correspond to the class number you write in the **Request for Student Program**. Requests for special enrollment options (audit or pass/no pass) must be processed on a separate application. The forms are available in the REG Lobby and must be submitted in person.
