

2010 SUMMER LOAN REQUEST FORM

Page 1 of 2

To be considered for a summer Federal Stafford Loan, Federal Graduate PLUS Loan or Federal Parent PLUS Loan, you must meet all general eligibility requirements and be enrolled at USC at least half-time during the summer 2010 semester. Undergraduate students must register for six (6) or more units, master's candidates must register for four (4) or more units, and doctoral candidates must register for three (3) or more units. Some private financing programs also require you to be enrolled at least half-time in a degree program.

If you wish to be considered for a summer loan, you must:

1. Complete both pages of the Summer Loan Request Form and sign and date page 2.
2. Submit the completed Summer Loan Request Form to our office at least six (6) weeks before the start of your first summer session. Electronic document upload is preferred, and is the quickest, most efficient way to submit materials to our office. Please visit www.usc.edu/financialaid and click on "My Financial Aid & Documents" for specific instructions.
3. Upon receipt of your request, the Financial Aid Office will determine if your Summer Loan will be processed as part of your 2009–2010 or 2010–2011 financial aid package and notify you accordingly. If your summer Federal Stafford Loan or Federal Graduate PLUS Loan is based on 2010–2011 eligibility, you will need to submit a 2010–2011 FAFSA before we can complete the process. Graduate students must also submit a 2010-2011 Supplemental Form online.

Note: If your summer loan is based on your 2009-2010 eligibility, your loan will be processed for the Spring/Summer loan period, with the lender you selected below. If your summer loan is based on your 2010-2011 eligibility, it will be processed under the Federal Direct Loan Program. Your loan will be processed for the Summer/Fall loan period. The amount you request will be disbursed in two equal installments, one at the start of each term. If you are unsure of how much to request, contact the Financial Aid Office for more information. For more information on the Federal Direct Loan Program, visit www.usc.edu/directloans.

6. Summer enrollment/housing plans

Your summer loan eligibility is limited to your summer educational costs. Your costs for the summer are based on the length of each summer session, the number of units you plan to complete, and your housing plans; therefore any changes to your enrollment and/or housing plans may affect your eligibility. Please notify us immediately if your plans change.

Enrollment plans: In the spaces provided below, write the three-digit session code, class number and the course number for the summer session(s) you will attend. **Include all information** as indicated in the example below. Also include the number of units you plan to complete in each session. Please consult the *Schedule of Classes* online at www.usc.edu/soc or your department to obtain this information. (The session code can be found on the *Schedule of Classes* by clicking on the Info button.)
