Postmark Deadline for Part I of the Application: **October 15, 2009**

## STEP 1

Complete the attached Part I Application, or apply online at [www.usc.edu/uga](http://www.usc.edu/uga).

## STEP 2

Return this application to USC, along with a check for the non-refundable \$10 fee, by October 15, 2009. Make the check payable to the University of Southern California. Use the enclosed self-addressed envelope to mail your check and the application. Filing Part I by the deadline will reduce your Part II application fee.

## STEP 3

After you have completed Part I, visit [www.usc.edu/uga](http://www.usc.edu/uga) to complete Part II online.

### Deadlines and Fees

If you do not submit Part I by October 15, you may still apply to USC, using Part II of the Application only, but your fee will be higher.

### Major Codes

Codes for your selected major can be found in the middle of this brochure (see "Majors").

The image shows a sample of the USC Part I Application form for Fall 2010. The form is titled "Fall 2010" and "Part I Application for Undergraduate Admission". It includes a deadline of October 15, 2009. The form is divided into several sections: "Personal Information", "Academic Information", "Financial Information", and "Other Information". Each section contains various fields for data entry, such as name, address, phone number, and academic details. A barcode is visible at the bottom right of the form.

### Financial Aid

USC administers a comprehensive financial aid program. Last year, \$371.8 million in aid was awarded to more than 60 percent of our undergraduate students. USC has a long tradition of meeting 100 percent of the USC-determined need for on-time financial aid applicants. Financial aid application instructions are online at [www.usc.edu/financialaid](http://www.usc.edu/financialaid).

You can also apply online at [www.usc.edu/uga](http://www.usc.edu/uga).
