

Schedule of Fees for Laboratory and Field Evaluation of Backflow Prevention Assemblies

By action of the Board of Directors of the Foundation for Cross-Connection Control and Hydraulic Research the following rates have been placed in effect as of 1 September 2005 for all items evaluated by the Foundation:

Laboratory Evaluation: One Hundred Sixty-Five Dollars (\$165.00) per hour of Laboratory time as required for the completion of the Laboratory Evaluation phase. A valid purchase order in the amount estimated based on the above fee is required before any evaluation begins. A full set of working drawings must be submitted with the purchase order.

Field Evaluation: Seven Hundred Sixty Dollars (\$760.00) per eight hour day for the field inspection trips based upon the premise that the assemblies are within a one hundred mile radius of the Laboratory and may be covered in a one day driving trip from the Laboratory. (A minimum of twelve {12} monthly inspections are required under the Specifications of the Ninth Edition of the Manual of Cross-Connection Control for Approval.) This charge will be prorated among the assemblies that are evaluated on any one field trip.

Thermal Loop: One Thousand Five Hundred Dollars (\$1,500.00) per 100 hour run plus whatever special fittings may be required to adapt the assembly to the Thermal Loop line.

Cycle System: One Thousand Five Hundred Dollars (\$1,500.00) per test for assemblies sized at two inches and less, plus whatever special fittings may be required to adapt the assembly to the Cycle System line. Two Thousand Dollars (\$2,000.00) per test for assemblies sized larger than two inches, plus whatever special fittings may be required to adapt the assembly to the Cycle System line.

Other Devices or Equipment: Rates for the evaluation of other devices or equipment by the Laboratory will be provided upon request.

Reports/Certificates: If more than two copies of a report of an evaluation are required an additional report charge of \$75.00 per copy will be made. If additional Certificates of Approval are required, an additional charge of \$30.00 per copy will be made. An additional charge will also be made for reports requiring complex graphs, drawings, and/or special artwork.

Effective 1 September 2005
