

January 2009

**EILEEN M. CRIMMINS
CURRICULUM VITAE**

PERSONAL

Business Address: Andrus Gerontology Center
University of Southern California
Los Angeles, California 90089-0191
213-740-1707 (crimmin@usc.edu)

EDUCATION

Ph.D., Demography, University of Pennsylvania, Philadelphia, 1974
M.A., Demography, University of Pennsylvania, Philadelphia, 1969
B.A., Mathematics, Chestnut Hill College, Philadelphia, 1968

TEACHING, RESEARCH POSITIONS

Associate Dean of Davis School of Gerontology, 2007 - 2008
Edna M. Jones Professor of Gerontology, 1997-
Director, USC/UCLA Center on Biodemography and Population Health, 1999-
Professor of Gerontology and Sociology, University of Southern California, 1992-
Associate Professor of Gerontology and Sociology, University of Southern California, 1986-1992
Research Associate of the Gerontology Research Institute, University of Southern California, 1982-
Research Associate of the Population Research Laboratory, University of Southern California, 1982-
Assistant Professor of Gerontology, University of Southern California, 1983-1986
Research Assistant Professor of Gerontology Research Institute, University of Southern California, 1982-1983
Research Associate, Department of Economics and Population Studies Center, University of Pennsylvania, 1981-1982.
Visiting Associate in Sociology, California Institute of Technology, 1980-1981
Visiting Assistant Professor of Sociology, Rutgers University, 1978-1980
Assistant Professor of Sociology, University of Illinois at Chicago, 1973-1978
Assistant Professor of Population Sciences and International Health, School of Public Health, University of Illinois at the Medical Center, Chicago, 1974-1978

RESEARCH GRANTS

National Institutes of Health
National Institute on Aging

- “Preparation of Samples for Investigation of Biological Aging Among The Tsimane,” PI, 2008-2010.
- “Biological Risk Underlying Education Health Differences.” P.I., 2003-2009
- “USC/UCLA Center on Biodemography and Population Health.” P.I., 1999-2009
- “Preparation and Distribution of the NUJLSOA.” 2002-2004
- “Biological Explanations of SES Differences in Health.” Principal Investigator, 1999-2003
- “Healthy Life Expectancy: Linking Policy and Science.” Principal Investigator, 1999-2001
- “Active Life Expectancy in the Older Population.” Principal Investigator, 1993-2001.

“Cognitive Impairment in the Older Population.” Co-Principal Investigator, 1995-1997.
“Does Improvement in Mortality Mean Better Health?” Principal Investigator, 1985-1993.
“The U.S. Mortality Decline: Evidence from Census Data.” Principal Investigator, 1979-1981.

National Institute of Child Health and Human Development

“The Role of Tastes in the Economic Model of Fertility.” Co-principal Investigator, 1975- 1977.

Keck Foundation

“Human Lifespan and Healthspan Across Time and Space”. Principal Investigator, 2008-2010.

AARP

“Measurement of the Impact of Chronic Disease, Disability, and Intervention on the Years of Healthy Life of the Population”. Principal Investigator, 1999-2000.

Social Security Administration

“Trends and Differences in Health and Ability to Work.” Principal Investigator, 1995-1996.

“Implications of Long Range Trends in Mortality for the Health of the Population 55 years and Over.” Principal Investigator, 1984-1985.

Milbank Memorial Fund

“Meeting the Functional Needs of Older Americans: Household Resources and Informal Care Provision and Formal Care Utilization.” Principal Investigator, 1990-1991.

Rockefeller-Ford Foundations

“Determinants of Adoption of Fertility Control in India: A Cross-sectional and Time Series Analysis.” Co-principal investigator with R. Easterlin, S. Jejeebhoy, K. Srinivasan, 1981-1982.

National Academy of Sciences and International Statistical Institute

“Application of a Socio-economic Framework to the Comparative Analysis of WFS Data.”
Co-principal investigator with Richard A. Easterlin, 1980-1981.

Department of Labor

“Wife's Labor Force Participation and Fertility: Evidence from the National Longitudinal Surveys.” Principal Investigator, 1978-1979.

University of Southern California Programs

Humanities and Social Sciences

“Gender Differences in Health”, 2007-29008.

Biomedical Research Support Grant

“Changing Health of the Older Working Age Population: A Pilot Project”, 1987-1988, Principal Investigator.

“Increases in Morbidity due to Arthritis Among the Older Population: A Pilot Project”, 1985 - 1986, Principal investigator.

Faculty Research Innovation Fund

“Recent and Prospective trends in Old Age Mortality”, 1983-1984, Principal investigator.
“Recent Trends in Values, Life Goals and Self Confidence”, 1988-1989, Co-principal Investigator, with R. Easterlin.

Andrus Center - Lexington Grant

“Development of a Methodology for Relating Change Over Time in Mortality and Morbidity”, 1983 - 1984, Principal investigator.

TRAINING GRANTS

National Institute on Aging

“Multidisciplinary Training in Gerontology”, Principal Investigator, 2005-2013.

“Training in the Demography of Aging”, Principal Investigator, 1989-1993.

USC-Project Socrates

“Integration of Information Processing into Gerontology 230 - Life-Span Developmental Sociology”, 1984, Principal Investigator.

“Microcomputers for Gerontological Training in Research and Statistics”, 1985, Principal investigator.

PROFESSIONAL ACTIVITIES

Scientific Advisory Committee – National Disability Survey, 2008 –
Integrated Health Interview Series (IHIS) Project – Advisory Board – 2005 -
ABE Foundation – Board, 2006-2009

Ipsen Foundation – Jury for Longevity Prize– 2002 –

REVES - Steering Committee, 1993-Present

American Sociological Assn. Section on Aging and the Life Course
Chair, Chair Elect, 2003-2004
Council Member, 1988-1990

National Academy of Sciences

Committee on Population, 2006-

Panel on Grand Challenges of an Aging Society, 2008-

Panel on Declining Relative Longevity, co-chair, 2008-

Panel on Race/Ethnic Health Differentials – 2001-2004

Advisory Council on Social Security; Technical Panel On Assumptions and Methods, 1994-1995, Chair
Demographic Sub-Panel.

National Center for Health Statistics, Board of Scientific Counselors, 2004-2006; NHANES review panel 2008-2009

Member NIA Monitoring Committees for HRS and AHEAD, 1996- 2007; LONG LIFE Family Study (LLFS) – 2005 -

Advisory Committee to NIA on the LSOAII, Chair, 1994-2001; Future Data Needs Committee, 2006-2008

Board of Directors - Society for the Study of Social Biology, 1995-1998, Secretary- Treasurer, 1998-2007

Population Association of America

Board of Directors, 1992-1994

Finance Committee, 1992-1994; Membership Committee, 2004-2005; Nominations Committee, 2006;

Dorothy S. Thomas Award, Committee Member 1988-1991; Chair, 1990-91

Vice President, 2005

NIH Review Panels, 1987-2008
Board of Advisors, Center on Rural Health and Aging, Pennsylvania State University, 1992 - 1996
Associate Editor, Encyclopedia of Sociology, 1989-1991, 1997
Teaching Award, Andrus Gerontology Center, 1986-1987, 2005-2006
Faculty Scholar, USC, 1985-1986
KCET, Consultant, Series on Population, 1988-1989
Associate Editor - Journal of Gerontology, 1993-2004
Advisory Board, Cosmos, 1985-1986
Associate Editor, Demography
Associate Editor, Journal of Health and Aging, 1987-
Associate Editor, Social Science History, 1984-1988
Associate Editor, Pacific Sociological Review, 1976-1980
Editorial Board, Research on Aging, 1989-
Fellow, UCLA/USC Long Term Care Gerontology Center, 1982-1987
Program Committee Gerontological Society of America, 1983, 1986, 1988
Co-chair, Program Committee, Social Service History Association, 1981 Annual Meetings
Co-chair, Local Arrangements, SWS, 1978 Annual Meetings
Co-chair, Program Committee, SWS, 1978
Steering Committee, SWS, 1976-1981
Participant, United Nations-sponsored Conference on Population, Geneva, Bucharest, Summer 1974
Co-editor, Concerned Demography: Special Issue on Women, Vol. 4, No.1, Spring 1974
Summer Institute in Survey Research, University of Michigan, 1969

University Committees - University of Southern California

Provost's Research Committee – 2006 -2007
WASC Accreditation Committee – Co-Chair, 2005 -
Committee on Academic Review – 2003 -2006
Research Committee - 1996-1997, 2006
Committee on Diversity in the Curriculum, 1996-1999, Chair 1998-9
Committee on Interdisciplinary Initiatives – 1995- 1998.
Committee on Promotion and Tenure, 1992-1996
Task Force on Faculty Retirement, 1990-1993, 1996
Committee on Academic Policies and Procedures, 1986-1988, 1992-1994
Academic Computing Policy Committee, 1985 - 1988
Faculty Senate, 1985 - 1987
Faculty Environment, 1984 - 1986
Search Committee, Dean of Gerontology, 1985 – 1986, 2005-2006
Institutional Review Board for Human Subjects (alternate), 1983 - 1985

Andrus Gerontology Center Committees

Faculty Council, 1995-2006, Chair 1999-2006
Ph.D. Committee, 1990 -; Chair, 1998 -2007
Curriculum Committee, 1989 - Chair; 1993-1995
Departmental Search Committee, 1984 - 1985, 1987 - 1988, 1990, 1991, 1992-1996
Promotion Committee, 1984; 1987 - 1988, Chair; 1991 - Chair; 1993-1996

Subcommittee on Curriculum, 1983 - 1984, 1993 - 1994
Computer Committee, 1985 - 1988
Planning Committee in Social Gerontology, 1984 - 1985, Chair
Student Services Committee, 1984 - 1985
Project Socrates Committee, 1984 - 1988, Chair
Personnel Committee, 1983 - 1984, Chair; 1985, member; 1996, Chair 1995-1998
Human Subjects Committee, 1983 - 1985, Chair
Gerontology Research Institute Planning Committee, 1983 - 1984

PUBLICATIONS

BOOKS AND MONOGRAPHS

Y. Zeng, E. Crimmins, Y. Carriere, and J.M. Robine (Eds.), Longer Life and Healthy Aging. Springer; Dordrecht, Netherlands, 2006.

J.M. Robine, E. Crimmins, S. Horiuchi, and Y. Zeng (Eds.), Human Longevity, Individual Life Duration, and the Growth of the Oldest-old Population, Springer; Dordrecht, Netherlands, 2006 .

J.M. Robine, C. Jagger, C. Mathers, E. Crimmins, and R. Suzman (Eds.), Determining Health Expectancies. John Wiley & Sons, Ltd.; West Sussex, England, 2003.

R. Easterlin and E. Crimmins, The Fertility Revolution: A Supply-Demand Analysis, The University of Chicago Press, 1985.

R. Easterlin and E. Crimmins, An Exploratory Study of the 'Synthesis Framework' of Fertility Determination with WFS Data, World Fertility Survey Scientific Report, No.40, International Statistical Institute: The Netherlands. Reprinted as Report No. 16, Committee on Population and Demography, National Academy of Sciences: Washington, DC, 1982.

OTHER PUBLICATIONS

“A Tale of Two Countries—the United States and Japan: Are Differences in Health Due to Differences in Overweight?” S. Reynolds, E. Crimmins, J. Yeom, Y. Saito, A. Hagedorn, Journal of Epidemiology, 18: 280-290.

“Education differentials by race and ethnicity in the diagnosis and management of hypercholesterolemia: a national sample of U.S. adults (NHANES 1999-2002).” Sharon Stein Merkin, Arun Karlamangla, Eileen Crimmins, Susan L. Charette, Mark Hayward, Jung Ki Kim, Brandon Koretz and Teresa Seeman. International Journal of Public Health. Forthcoming.

“Poverty and Biological Risk: The Earlier “Aging” of the Poor,” Eileen M. Crimmins, Jung Ki Kim, Teresa E. Seeman, Journal of Gerontology: Medical Sciences, Forthcoming.

“Inflammation as a potential mediator for the association between periodontal disease and Alzheimer’s disease,” 2008. A. Watts, E. Crimmins, M. Gatz. Neuropsychiatric Disease and Treatment. 4: 865-876.

“Health of Immigrants in European Countries.” 2008. Aida Sole-Auro and E. Crimmins, International Migration Review, 42: 8610-876.

“A comparison of biomarkers in two populations: the United States and Japan”, 2008, E.M. Crimmins, J.K. Kim, S. Vasunilashorn, A. Hagedorn, .Y. Saito, Population and Development Review, 34: 457-482.

“Biodemography: Integrating Disciplines to Explain “Aging,” 2008, Sarinnapha Vasunilashorn and Eileen M. Crimmins. In V. L. Bengtson, D. Gans, N. M. Putney, M. Silverstein (Ed.), Handbook of Theories of Aging (pp. 63-85). New York: Springer.

“Biomarkers of Aging,” 2008. E. Crimmins, S. Vasunilashorn, J.K. Kim, D. Alley, Annual Review of Clinical Chemistry, 46, 161-215.

“Life With and Without Heart Disease among Women and Men over 50,” 2008, E. Crimmins, M.D. Hayward, H. Ueda, Y. Saito, J.K. Kim, 2008. Journal of Women and Health, 20, 5-19.

“Educational differentials in life expectancy with cognitive impairment among the elderly in the United States.” 2008, A. Lievre, D. Alley, E. Crimmins, Journal of Aging and Health, 20, 456-477.

“The Rise and Fall of Excess Male Infant Mortality.” 2008. G.E. Drevenstedt, E. Crimmins, S. Vasunilashorn, C. Finch. Proceedings of the National Academy of Sciences. 105:5016-21.

“Inflammation Levels in Two Epidemiological Worlds,” 2008. Michael Gurven, Hillard Kaplan, Jeffrey Winking, Caleb Finch, and Eileen Crimmins, Journal of Gerontology: Medical Sciences, 63A, 196-199.

“Education, Income and Ethnic Differences in Cumulative Biological Risk Profiles in a National Sample of US Adults: NHANES III (1988-1994),” 2008. T. Seeman, S. Merkin, E. Crimmins, B. Koretz, S. Charette, A. Karlamangla, 2008. Social Science and Medicine, 66, 72-87.

“Inflammation and Rate of Cognitive Change in High-Functioning Older Adults,” 2008. Dawn E. Alley, Eileen M. Crimmins, Peifeng Hu, Arun Karlamangla, and Teresa E. Seeman, The Journal of Gerontology: Medical Sciences, 63, 50-55.

“Populations at Special Health Risk: Elderly.” 2008. Amber Watts and Eileen Crimmins. In Kris Heggenhougen and Stella Quah (eds.). International Encyclopedia of Public Health, Vol. 5. San Diego: Academic Press, pp. 254-260.

“Populations at Special Health Risk: Elderly.” 2008. Amber Watts and Eileen Crimmins. In Kris Heggenhougen and Stella Quah (eds.). International Encyclopedia of Public Health, Vol. 5. San Diego: Academic Press, pp. 254-260.

“Three-year change in inflammatory markers in elderly people and mortality: The Invecchiare in Chianti Study,” 2007. D. Alley, E. Crimmins, K. Bandeen-Roche, J. Guralnik, L. Ferrucci, Journal of the American Geriatrics

Society, 11: 1801-1807.

“High-cost users among dual eligibles in three care settings.” 2007. J. Yip, C.M. Yashita, E.M. Crimmins, K. Wilber. Journal of Health Care for the Poor and Underserved. 18: 950-65.

“Changes in Postmenopausal Hormone Therapy Use Since 1988,” 2007, Jung Ki Kim, Dawn Alley, Peufung Hu, Arun Karlamangla, Teresa Seeman, and Eileen M. Crimmins, Women’s Health Issues, 17(6), 338-341.

“Intergenerational Coresidence of Older Adults in Japan: Multi-Level Conditions or Cultural Plasticity,” 2007, Emiko Tagaki, Merrill Silverstein, and Eileen Crimmins, Journal of Gerontology: Social Sciences, 62, 330-339.

“Hispanic Paradox in Biological Risk Profiles,” 2007, Eileen M. Crimmins, Jung Ki Kim, Dawn Alley, Arun Karlamangla, and Teresa Seeman, American Journal of Public Health, 97(7), 1305-1310.

“The Demography of Aging and Work,” 2007, Dawn Alley and Eileen Crimmins, In K. Schultz and G. Adams (Eds.), Aging and Work in the 21st Century, LEA, 7-23.

“Education and Cognitive Decline in Older Americans: Results from the AHEAD Sample,” 2007, Dawn Alley, Kristen Suthers, and Eileen Crimmins, Research on Aging, 29(1), 73-94.

“The Compression of Morbidity,” 2007, Eileen M. Crimmins, In K. Markides (Ed.), The Encyclopedia of Health and Aging, Sage; Thousand Oaks, CA, 114-115.

“The Link Between Heart Disease and SES in the U.S. and Japan,” 2006, Aaron Hagedorn, Yasuhiko Saito, Eise Yokoyama, and Eileen Crimmins, In Population Dynamics, Human Health, Therese Locoh and France Mesle (Eds.), forthcoming.

“Consequences of Educational Change for the Burden of Chronic Health Problems in the Population,” 2006, Mark D. Hayward, Eileen M. Crimmins, and Zhenmei Zhang, In A. Gauthier, C. Chu, and S. Tuljapurkar (Eds.), Allocating Public and Private Resources Across Generations, Springer; Dordrecht, Netherlands, 227-242.

“Does Longer Life Mean Better Health? Not for Native-Born Mexican Americans in the Health and Retirement Survey,” 2006, Mark D. Hayward, David F. Warner, and Eileen M. Crimmins, In Jacqueline Angel (Ed.), The Health of Aging Hispanics: The Mexican-Origin Population, Springer; New York, NY, 85-95.

“Commentary: Do Older Men and Women Gain Equally from Improving Childhood Conditions?” 2006, Eileen M. Crimmins and Caleb E. Finch, International Journal of Epidemiology, 35, 1270-1271.

“Recent Changes in Cardiovascular Risk Factors Among Women and Men,” 2006, Jung Ki Kim, Dawn Alley, Teresa Seeman, Arun Karlamangla, and Eileen Crimmins, Journal of Womens Health, 15(6), 734-740.

“Infection, Inflammation, Height, and Longevity,” 2006, Eileen M. Crimmins and Caleb E. Finch, Proceedings of the National Academy of Sciences, 103(2), 498-503.

- “Socioeconomic Status and C-Reactive Protein Levels in the U.S. Population: NHANES IV,” 2006, Dawn Alley, Teresa E. Seeman, Jung Ki Kim, Arun Karlamangla, Peifeng Hu, and Eileen M. Crimmins, Brain, Behavior, and Immunity, 20, 498-504.
- “Association Between Serum Beta-Carotene Levels and Decline of Cognitive Function in High-Functioning Older Persons With or Without Apolipoprotein E 4 Alleles: MacArthur Studies of Successful Aging,” 2006, Peifeng Hu, Philip Bretsky, Eileen M. Crimmins, Jack M. Guralnik, David B. Reuben, and Teresa E. Seeman, Journal of Gerontology: Medical Sciences, 61A(6), 616-620.
- “Age Differences in Allostatic Load: An Index of Frailty,” 2006, Eileen M. Crimmins, Melanie Johnston, Mark Hayward, and Teresa Seeman, In Zeng Yi et al., Longer Life and Healthy Aging, Springer; Dordrecht, Netherlands, 111-126.
- “Individual Healthy Aging,” Eileen Crimmins, 2006, In Zeng Yi et al., Longer Life and Healthy Aging, Springer; Dordrecht, Netherlands, 107-110.
- “The Effects of Socioeconomic Status on Self-Rated Health among Older Koreans,” 2006, Eileen M. Crimmins and Jihye Yeom, International Journal of Welfare for the Aged, 15, 47-64.
- “Childhood conditions and late-life health: Introduction. 2005. Social Biology. 52:89-93.
- “Using Anthropometric Indicators for Mexicans in the United States and Mexico to Understand the Selection of Migrants and the “Hispanic Paradox,” 2005, Eileen M. Crimmins, Beth J. Soldo, Jung Ki Kim, and Dawn E. Alley, Social Biology, 52, 164-177.
- “Complexity of Work and Risk of Alzheimer’s Disease: A Population-Based Study of Swedish Twins,” 2005, Ross Andel, Michael Crowe, Nancy Pedersen, James Mortimer, Eileen Crimmins, Boo Johansson, and Margaret Gatz, Journal of Gerontology: Psychological Sciences, 60B(5), 251-258.
- “The Impact of Obesity on Active Life Expectancy in Older American Men and Women,” 2005, Sandra L. Reynolds, Yasuhiko Saito, and Eileen M. Crimmins, The Gerontologist, 45(4), 438-444.
- “Socioeconomic Differentials in Mortality and Health at the Older Ages,” 2005, Eileen M. Crimmins, Genus, Vo. LXI, 163-176.
- “Changes in Biological Markers of Health: Older Americans in the 1990s,” 2005, Eileen M. Crimmins, Dawn Alley, Sandra L. Reynolds, Melanie Johnston, Arun Karlamangla, and Teresa Seeman, Journal of Gerontology: Medical Sciences, 60A(11), 1409-1413.
