

# USC Leonard Davis School of Gerontology

**Job Posting: AlmaVia of San Rafael**  
**02/13/06**

Job Position: Coordinator  
Department: Bridgehaven

Organizational Overview:

AlmaVia of San Rafael, a new assisted living and dementia care community serving 130 seniors, is scheduled to open in March of 2006.

Summary of duties:

We are currently seeking a Bridgehaven Coordinator to evaluate, develop, implement and coordinate appropriate resident-centered life skills and activity program based on the therapeutic and recreational needs of residents, both in group and individual activities. Encourage participation for residents residing in our Bridgehaven community. Supervises and supports caregiving staff. Assesses resident functional capacity and interest in various daily activities, being alert to and communicating changes noted in residents. Interviews new residents and families to determine levels of function, activity and recreational and spiritual needs. Manages program within budget.

Qualifications:

Experience in direct provision of dementia care services in long-term care or community based setting. Degree in therapeutic activity, gerontology, social worker or related field. Has working knowledge of title 22, division 6, and chapter 8. Possess current first aid certification.
