

USC Leonard Davis School of Gerontology

Job Posting: Alzheimer's Services
03/23/06

Job Position: Registered Nurse (job share)
Department: Hayward Adult Day Health Care program

Organizational Overview:

We are dedicated to providing a joyful, supportive environment that enhances the quality of life of our participants.

Position Summary:

Alzheimer's Services of the East Bay is looking for a registered nurse for our Adult Day Health Care program in Hayward. You will be a part of our multidisciplinary team that is dedicated to creating a positive, supportive environment for our participants with memory loss. Most of our participants, with our support, are able to live at home with their family. This rewarding position is a job share with our current, wonderful RN.
