

USC Leonard Davis School of Gerontology

Job Posting: Sage Eldercare Solutions 03/23/06

Job Position: Care Manager (part time and full time positions available)

Organizational Overview:

Sage Eldercare Solutions is a growing practice in San Francisco, Marin and San Mateo counties, dedicated to offering wise eldercare solutions that promote quality of care and quality of life for older adults. Looking for a rewarding opportunity? Join a growing Bay Area company with an established record for helping clients and their families navigate the challenges of aging and eldercare. Best of all, you will work in an environment that's free from bureaucracy while you are making a positive, measurable impact on your clients' lives. You can read more about us at <http://www.sageeldercare.com>.

Position Summary:

Sage Eldercare Solutions is looking for enthusiastic, detail-oriented and skilled professionals who have a can-do attitude to join our interdisciplinary team of care managers in a stimulating work environment. We are hiring for both full and part time positions, and we offer compensation at the top of the industry. As a Sage care manager, you will work with older adults and their families to: conduct comprehensive assessments; develop and implement individualized care plans based on the older adults' specific needs; communicate with clients and their family members, doctors and medical staff; and monitor clients' situation on an ongoing basis to ensure changing needs are addressed.

Responsibilities:

- Conduct in-home assessments and draft written summaries of findings
- Develop written care plans and implement various components of care plan
- Negotiate family dynamics to agree on and implement the care plan
- Cultivate and maintain extensive knowledge of community resources available to older adults
- Provide ongoing training and supervision of in-home caregivers
- Communicate regularly with family members and appropriate professionals
- Collaborate with professionals and advocate for clients' needs

Qualifications:

- MSW, RN, MFT, or MA Gerontology
- Experience in care or case management

- Availability all weekdays and some evening/weekend on call rotation
- Knowledge of local eldercare resources (preferred)
- Excellent communication skills (written and oral)
- Proficiency in Microsoft Word, Excel, Outlook
- Valid California driver's license, insurance, car
