

USC Leonard Davis School of Gerontology

Job Posting: Lifelong Medical Care May 10, 2006

Job Position: Social Worker
Department: Interdisciplinary Team

Organizational Overview:

LMC provides high-quality health and social services to underserved people of all ages; creates model of care for the elderly and people with disabilities; and advocated for continuous improvements in the health of our communities. LifeLong Medical Care operates 7 community health centers in Berkeley and Oakland. With our facilities and array of services, we currently reach out to about 15,000 patients on an annual basis. Our services and programs continue to expand with the need of the communities we serve.

To learn more about our organization please go to our website at www.lifelongmedical.org

Job Qualifications:

An MSW, experience working with the elderly and a strong commitment to the needs and assistance of this population are required. Bilingual/bicultural candidates are encouraged to apply.

Job Duties and Responsibilities:

The essential function of this position is to link older adults with community services that will support their health and independence. Responsibilities include psychosocial assessment, creation of client-centered treatment plan to address areas of concern, crisis intervention, supportive counseling, and participation in interdisciplinary team meetings, active collaboration with other team members and outreach/public speaking as needed.

Contact:

We offer a competitive salary and excellent benefits: medical, dental, vision, Flexible Spending Account, dependent and domestic partner coverage and AFLAC
