- Obtains patient history and physical, admission and discharge notes from patient file. Contacts primary insurance carrier to determine benefits and eligibility. Coordinates with insurance case manager to determine pricing for services. Writes letters of Medical Necessity.

- Assesses patient and caregiver capability for participation in prescribed homecare therapy. Initiates patient teaching and orients caregiver to techniques for administration of intravenous therapy.

- Assists social worker in identifying a nursing agency to meet patient's needs. Facilitates exchange of information among patient, physician and pharmacist. Participates in hospital discharge planning to identify potential homecare patients and facilitate their discharge.

- Orders patient supplies on a weekly basis, checks that all prescriptions, refills and supplies are correct before delivery. Monitors contracted delivery agency to ensure that patients do not run out of supplies.

- Participates in quality assurance program and continuously evaluates services to ensure highest standards of patient care are maintained.

- Assists in teaching externship and clerkship students about products and services associated with homecare.

Performs other related duties as assigned or requested. The University reserves the right to add or change duties at any time.

*Select E (ESSENTIAL), M (MARGINAL) or NA (NON-APPLICABLE) to denote importance of each job function to position.

EMERGENCY RESPONSE/RECOVERY:

Essential: [ ] No

[ ] Yes  In the event of an emergency, the employee holding this position is required to “report to duty” in accordance with the university’s Emergency Operations Plan and/or the employee’s department’s emergency response and/or recovery plans. Familiarity with those plans and regular training to implement those plans is required. During or immediately following an emergency, the employee will be notified to assist in the emergency response efforts, and mobilize other staff members if needed.
