# National Urban Freight Conference 2009

The purpose of this conference is to examine impacts of goods movement and international trade in metropolitan areas. Join us as we explore issues and solutions.

For abstract submission, sponsorship, registration, and conference information, see [www.metrans.org](http://www.metrans.org) or call (562) 985-2876.

**Abstracts due June 30, 2009**
