

UNIVERSITY OF SOUTHERN CALIFORNIA SCHOOL OF DENTISTRY

DIVISION OF DIAGNOSTIC SCIENCES

The Division of Diagnostic Sciences invites applications from qualified candidates for multiple clinical-track and tenure-track positions from **ASSISTANT** to **FULL PROFESSOR** level in oral and maxillofacial radiology. Candidates should have a DMD/DDS degree from a dental school recognized by the ADA Commission on Dental Accreditation, the eligibility for a license to practice in the state of California, and the eligibility or certification by the American Board of Oral and Maxillofacial Radiology. We are seeking individuals with a proven record of excellence in research, teaching, and related scholarly activities. Responsibilities may include teaching at both the predoctoral and postdoctoral levels, as well as, participating in and/or establishing a vigorous externally funded research program. Candidates with training and experience in conducting clinical research are encouraged to apply. Full time faculty have a 12-month appointment and may have the privilege of consulting or practicing clinical dentistry one day each week.

Applicants should send a complete curriculum vitae, selected recent publications, statement of current and future research plans, and at least three letters of recommendation to: **Dean Harold Slavkin, USC School of Dentistry, 925 West 34th Street, DEN 203, Los Angeles, CA 90089-0641.**

USC is an Equal Opportunity/Affirmative Action employer. Minority and female applicants are encouraged to apply.
