Transitions 2009 Planning for Retirement: Strategies, Options, and Information

This one-day Transitions program is designed to provide information and answer any questions you might have about retirement. Some of the issues we will address include:

Income

- What do I need to do to begin receiving my retirement income?
- What about Social Security?

Health

- What are Medicare Parts A, B & D? What should I do about them?
- Is USC Senior Care the best Medigap option for me?
- Do I need Long Term Care insurance?

Staying a member of the academic community

- How can the Emeriti Center and Emeriti College help me?
- Can retired staff and faculty still work, teach & research at USC?
- What is the experience from current USC retirees?
- What is the "Gold Card" and what privileges does it provide?
- How can I maintain contact with my colleagues after I retire?

Staying in charge

- What should I do about estate planning, trusts and wills, and health care instructions?
