

## Table of Contents

Abstract.....	i
Introduction.....	1
Part I: <i>Wh</i> -interrogatives: superiority and interpretation .....	13
Chapter 1: Superiority and Movement.....	14
1.1. Superiority as a condition on movement.....	15
1.2. Superiority in non-movement structures .....	19
1.2.1. <i>Wh</i> -interrogatives in Lebanese Arabic .....	21
1.2.2. Superiority in <i>wh</i> -interrogatives.....	26
1.3. Superiority and movement .....	37
1.3.1. Pesetsky (2000) .....	38
1.3.2. Attract Closest in LA.....	44
1.4. Summary .....	46
Chapter 2: Superiority and the Minimal Match Constraint.....	48
2.1. Distinguishing resumptive pronouns from bound pronouns .....	50
2.2. Minimal Match Condition (MMC) .....	60

2.3. Superiority and <i>which</i> -phrases .....	69
2.4. MMC and other minimality conditions.....	82
2.4.1. Move and Match.....	83
2.4.2. The MMC and the MBR .....	87
2.5. Summary .....	93
Chapter 3: Superiority and Interpretation.....	98
3.1. Superiority and Weak Cross Over.....	100
3.1.1. Superiority and interpretation (Hornstein 1995).....	100
3.1.2. Obligatory functional/pair-list interpretation? .....	105
3.1.3. Superiority not as WCO.....	113
3.2. Functional, distributional and pair-list interpretation.....	116
3.2.1. The interpretation of multiple <i>wh</i> interrogative constructions .....	117
3.2.2. The interpretation of QP/ <i>wh</i> constructions.....	121
3.2.3. Distinguishing pair-list, distributive and functional interpretations .....	126
3.3. Generating interpretations .....	131
3.3.1. Pro-binding.....	131
3.3.2. Non-movement quantifier-dependency relation.....	133
3.3.3. Agree .....	141
3.3.4. Summary .....	143
3.4. <i>Wh</i> -quantifiers vs. <i>wh</i> -variables .....	144

3.5. Summary .....	161
Appendix to Part I.....	164
1. Additional <i>wh</i> -effect.....	165
2. Anti-superiority .....	169
Part II: Relativization: derivation and structure.....	173
Chapter 4: Head-initial Relative Constructions .....	174
4.1. Promotion vs. Matching (Operator movement) .....	177
4.1.1. The Promotion analysis.....	177
4.1.2. <i>Wh</i> -movement - the Matching analysis.....	181
4.1.3. Comparison .....	183
4.1.3.1. The obligatoriness of a DP structure .....	185
4.1.3.2. Selection relation between D and CP .....	187
4.1.3.3. External determiner .....	188
4.1.3.4. DP.....	190
4.1.3.5. Structure and derivation .....	194
4.2. English.....	197
4.2.1. Head-raising or not?.....	197
4.2.2. Operator movement.....	202

4.2.3. Determiner.....	213
4.2.4. Structure .....	217
4.2.5 Adjunct relativization.....	226
4.2.6. Summary .....	228
4.3. Relative constructions in LA.....	230
4.3.1. Reconstruction and Head-raising .....	231
4.3.2. What moves?.....	236
4.4. Summary .....	238
Chapter 5: Head-final Relative Constructions .....	239
5.1. Reconstruction in Chinese relativization.....	241
5.2. NP projection.....	257
5.3. Adjunction.....	267
5.4. Complementation structure .....	277
5.5. Summary .....	284
Chapter 6: Adjunction Structure and Derivation.....	288
6.1. Derivation.....	290
6.1.1. Licit movement .....	293
6.1.2. NP movement.....	297
6.2. Base generation .....	309

6.3. NP vs. adjunct .....	315
6.4. Null operator, null Head.....	327
6.5. Resumptive adjunct.....	334
6.6. Gapless structure .....	341
6.7. Chain binding? .....	344
6.8. Summary .....	347
Chapter 7: Typology of Relativization.....	350
7.1. Universal structure?.....	352
7.1.1. Universal adjunction structure?.....	353
7.1.1.1. Relative pronoun .....	355
7.1.1.2. Operator movement.....	356
7.1.1.3. Complementizer .....	358
7.1.1.4. Internally Headed relative clause .....	358
7.1.2. Problems with the universal adjunction structure .....	363
7.1.2.1. Problems with Chinese relative constructions .....	364
7.1.2.2. Problems with English and LA relative constructions.....	376
7.1.3. Summary .....	381
7.2. Derivation.....	386
7.2.2. Relativization .....	394
7.2.2.1. NP movement.....	395

7.2.2.2. Operator movement.....	396
7.2.2.3. DP movement.....	400
7.2.2.4. Summary .....	403
Notes.....	409
References.....	493
