

ATTRACTIVE OPPORTUNITIES IN SOUTHERN CALIFORNIA

The Keck School of Medicine of the University of Southern California has immediate openings for GRNAs or CRNAs interested in becoming an integral part of an expanding University based Anesthesia Department with clinical, academic, research and administrative opportunities. Clinical service responsibilities include the Los Angeles County General Hospital and USC University Hospitals. Nurse Anesthetists participate in all clinical areas including trauma, neurosurgery, interventional neuroradiology, hepatobiliary, urology, pediatric, ENT, and orthopedic surgeries. The Nurse Anesthetist performs preoperative and postoperative assessments, provides general, regional, and monitored anesthesia care. Teaching responsibilities include didactic and clinical instruction for student registered nurse anesthetists through the USC Program of Nurse Anesthesia.

Excellent salary base and benefit package, which includes:

- Four Weeks of Vacation (per year)
- One Week of Education Leave (per year)
- Retirement Package
- Paid Professional Licensure
- Excellent Health Insurance
- Life and Disability Insurance
- Tuition Assistance for Self & Family
- Free CEUs

We Have It All!
