## 2006 INCOMING MAYOR INITIATIVES

Each year as part of the City of West Hollywood's City Council Reorganization, those in attendance are asked to make a contribution to designated nonprofit organizations. In the spirit of this tradition, the Incoming Mayor will unveil a number of initiatives and priorities for the upcoming year. You will be invited to participate in these important projects.

The Incoming Mayor's new initiatives will include:

1. Fundraising for our proposed new West Hollywood Library
2. Ending hunger in West Hollywood
3. Improving the environment
4. Creating scholarships for West Hollywood students
5. Joining the global fight against AIDS
6. Developing learning partnerships with local community colleges

If you are unable to attend the City Council Reorganization and Mayoral Installation and would like to learn how you can support these initiatives, please call City Hall at (323) 848-6460 or email [fsolomon@weho.org](mailto:fsolomon@weho.org).
