Student Health Insurance

Separate from the health fee, all student are required to have supplemental health insurance - either the USC Health Insurance Plan or another plan with comparable coverage. Voluntary dental insurance is now available through the USC Health Insurance Plan.

No matter what type of insurance you have, carry your insurance card in your wallet at all times.

For more information on the USC Health Insurance Plan, including coverage, waivers, or reimbursement, call the Student Health Insurance Office at (213) 740-5344.

Confidentiality

Confidentiality and privacy are maintained in ALL services at The University Park Health Center. For more information about your rights and responsibilities as a student using the UPHC services, visit www.usc.edu/uphc or call (213) 740-UPHC (8742).

A Division of Student Affairs

The University Park Health Center (UPHC) offers services to advance the health of USC students and to support the mission of the University of Southern California.

Health Promotion and Prevention Services are an important part of the UPHC.

These services are available to **students** on the University Park campus who have paid the Health Fee for the current semester. All students enrolled in at least 6 units must pay the Health Fee. Although the fee covers most services, there are some nominal charges.

For more information on eligibility and charges, call the UPHC Cashier at: (213) 740-0238.
