

Welcome to

What is U-Rap?

University Rap is a weekly confidential discussion group about current issues in the LGBT community and our lives. This is the perfect place to meet new people and make some new friends. We encourage students who are seeking to connect with peers or discuss recent happenings in their lives to attend. Topics will vary each week.

Who Can Come?

Anyone is welcome! Bring your friends if you feel this would be a good group for them! We especially encourage LGBT, Questioning, and Ally students to attend.

Facebook Group & E-mail

U-Rap is committed to providing complete confidentiality for all of its members. We have two forms of electronic communication that members may wish to receive to be kept informed of U-Rap meetings.

Facebook

U-Rap's Facebook group is "secret" and will not show up on a profile or a search. If you wish to be a part of the Facebook group please e-mail a member of the U-Rap team.
